Kissing your spouse breaks your Wudu!

Based on the report of Shia Online, the worshipers of a mosque in Jordan attacked their prayer imam because of issuing an odd fatwa.

It's been reported this incident happened between the worshipers and the prayer imam of the "Al-fath" mosque in the area of "Urjan" in the capital of Jordan.

Based on the strange ruling of this prayer imam, kissing one's spouse breaks the wudu.

After her was attacked, a few of the worshipers rescued him and helped him to flee from the mosque.

It's been reported the worshipers complaint to the authorities and asked for the dismissal of this prayer Imam.
